COMPANY BACKGROUND

Nothing is a British consumer electronics company founded in 2020 by Carl Pei, the co-founder of OnePlus. Based in London, Nothing focuses on creating innovative and visually appealing tech products, like their popular wireless earbuds and smartphones¹. They aim to make technology fun and accessible for everyone

ANALYSE

- **MONOCHROME** - minimalist look that aligns with the brand's philosophy
- **DOTA MATRIX STYLE** - distinctive, setting the brand apart from others
- **Minimalist Approach** - modern and futuristic look

BRAND MESSAGE

- We're building a world where tech is fun again
- Technology should fade into the background and feel like nothing.

YES COMMUNICATIONS

BRAND MESSAGE

FIRST TO 5G,
DELIVERING THE
BEST POSSIBLE
SERVICES
THROUGH
INNOVATION.

TARGET AUDIENCE

All People

COMPANY BACKGROUND

YES Communications, a subsidiary of YTL Corporation Berhad, started in 2010 in Kuala Lumpur. They were the first to offer VoLTE services across Malaysia and now also provide 4G and 5G networks. Their services cover over 85% of the population with nearly 5,000 base stations. Their focus is on innovative, reliable telecommunication services.

ANALYSE

- Sans-Serif Typeface - Modern & Clean And Readability
- Logo is simple and without any decorations.
- Purpose of logo be minimal and free embellishments.
- Blue and bold design elements communicate trust and reliability

CHARACTERISTICS

- Lack of Complex Imagery
- Sans-Serif Typeface
- Minimalistic Design
- Color associated with trust, reliability, and professionalism

IKF HEADPHONES

CHARACTERISTICS

- Simplicity and Clarity
- Professionalism and Trust
- Dedicated logo

COMPANY BACKGROUND

IKF Headphones is a brand known for its wide range of audio products, including wireless and wired headphones, earbuds, and Bluetooth devices. Founded with a focus on delivering high-quality sound and innovative features, IKF offers products that cater to various needs, from everyday use to professional audio and gaming. Their headphones are praised for features like long battery life, noise cancellation, and comfortable design.

ANALYSE

- Black and White Color Scheme
- Letters "ikf" are stylized and enclosed within a circle
- White dot of the "i" adds a unique and memorable touch, drawing attention and making the logo distinctive.

NOTHING REFERENCE

Iconic design

An icon made stronger. Ear (2) is the next chapter of a revolutionary design story. Transparent veneers celebrate the beauty of raw technology and expert craftsmanship. We rebuilt the charging case with a stronger, pressure-resistant material for a premium feel. Now smaller, lighter and sturdier. Still wonderfully original.

Re-engineered
brilliance

A mighty refinement. Let Ear (2) tune into you. With a Personal Sound Profile that adjusts the equaliser in real-time so content is optimised just for you. Stay connected to multiple devices at the same time with Dual Connection. And for the clearest calls, we've made our Clear Voice Technology even smarter.
